Supply List: MIXED MEDIA MECHANICS with...
FABRIC AND STITCHING

***Feel free to substitute if you do not have exactly what is on this list.**

- A variety of natural fabrics and paper of varying sizes but remember you are working small. Both solid and patterned
- Fabric and paper scraps
- Gel Plate - any brand/size
- Brayer

- Acrylic Paint - a few of your favorite colors - fluid acrylics are preferred
- Ink: a few of your favorite colors - any type in a bottle and/or sprayer
- Favorite Stencils and Rubber Stamps
- Mark Makers - a few of your favorites: graphite pencils, watercolor pencils, gel pens, paint pens, markers, crayons, china marker, ink-filled waterbrush, pastels, etc.
- Ink Pads - both dye-based (such as Distress) or Permanent (such as Stazon or Archival)
- Embellishments - beads, small metal elements, buttons, pieces of nature

Students will also take a short field trip in search of found objects.

- Needle and threads for hand sewing – a variety of sizes and colors
- Beeswax block (or a candle) for coating thread
- Misc Tools: awl, ruler, and scissors
- Glue stick and craft sponges
- Baby Wipes and/or Paper Towel/Clean-Up Cloth

If you're not sure you want to invest in all the specific products needed, you may at times prefer to simply sit back and take it all in.
